Dear Sir or Madam,

Nowhere have I seen it mentioned that Iraq is a country where people are hanged publicly, thieves have their hands chopped off, and women have the status of cattle. To supply this barbarous country with the means to produce nuclear bombs is a crime against humanity.

For more than 30 years now, Iraq has perpetrated ~~the~~ state of war against Israel ^{which is} ~~all~~ ^{and} ~~refuses~~ to recognize its existence, and ~~fanatically~~ ^{and} vows to destroy ~~it~~. When the initial storm and fury have cooled, the world will hopefully take a more balanced view of Israel, daring and brilliant strike against Iraq's nuclear facilities, ^{carried out} ~~with~~ almost no loss of life. Sincerely, Henri Temianka

Dear Sir or Madam,

Nowhere have I seen it mentioned that Iraq is a country where people are hanged publicly, thieves have their hands chopped off, and women have the status of cattle. To supply this barbarous country with the means to produce nuclear bombs is a crime against humanity.

For more than 30 years now, Iraq has perpetuated ~~the~~ ~~a state of war~~ against Israel which is the fear to recognize ~~its existence~~, and fanatically ~~and~~ ~~illegible~~ to destroy ~~it~~. When the initial sound and fury have cooled, the world will hopefully take a more balanced view of Israel, daring and brilliant strike against Iraq's nuclear facilities, carrying on with almost no loss of life.

Sincerely

Henri Temianka
